## *Friends,*

We are embarking on a very special year for the Chamber; it is our 30th Anniversary! Keller and the Chamber have both grown exponentially in the last 30 years. We look forward to another season of growth, innovation and service to and with you, our members and friends. As we reflect on this anniversary and the three decades behind us, we find many ups and downs in the past business climate, yet Keller has prospered and is now recognized as a fabulous place to live and do business. We were recently discovered by *Money Magazine* as one of the "Top 100 Best Places to Live," "America's Best Small Cities 2008." This is a feat to be proud of.

Even though we face some uncertainties, we must use this as an opportunity to develop and strengthen. It is time to move forward and focus on ways to work smarter, more efficiently and creatively expand our customer base. The Chamber is here to help and support you every step of the way.

This leads us to KellerFest. May 29-31 The Keller Chamber will bring you a Hometown Celebration featuring fun and activities for all ages. This is an amazing opportunity to get your business in front of tens of thousands of people. We have been working hard to retool KellerFest, adding and improving events to draw in a record crowd. Get a booth, have a great time while you make new connections and sell your service or items during the weekend.
